School of Intercession

HISTORY BELONGS TO THE INTERCESSORS!!!

Life begins in intimacy, and prayer is the bed-chamber of the Holy Spirit, but intercession moves God. The basic Hebrew word for intercession is "paga", which is found 44 times in the Old Testament, and although it is translated as "intercession", it is so much more than that.

In this School of Intercession, we will look at the variations and shades of this ministry and develop and empower each student to become history shapers!

- History belongs to the Intercessors.
- Intercession Defined
- Qualities of an Intercessor
- The death of an Intercessor
- Three classifications of prayer
- Groaning in Spirit
- Sons of Issachar
- Principles of overnight prayer
- Are you willing to answer the call?

Biblical Cryptology

In this Focus Course, we will discover and decipher the hidden messages of the Bible!

Secret codes and "secret writing" never cease to intrigue people. Military, political, and personal messages have been transmitted through a variety of techniques since the beginning in order to restrict their contents to those to whom the message is intended and to deny them to others.

Cryptology is the study of secret codes and cyphers but are the purported "Bible Codes" real? Or are they the result of irrational behaviour inside the expected parameters of natural language? Are there really "hidden codes" behind the surface of the Biblical text?
